(d) These loans are to be repaid in a period of 15 years including a grace period of 5 years.

Proposals for rural sanitation

657. SHRI SANJAY RAUT: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether Union Government has received any proposals from various State Governments relating to sanitation and development of rural areas during the last three years and till date;

(b) if so, the details thereof; and

(c) the steps taken or proposed to be taken for the improvement of sanitation system in various rural parts of the country?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) Yes, Sir. During the past three financial years viz., 2001-02, 2002-03, 2003-04 and till date, 465 proposals for implementation of Total Sanitation Campaign in 465 districts of 30 States have been received.

(b) The details of proposal received during the last three years and till date are given in the statement. *(See* below)

(c) Total Sanitation Campaign (TSC) was launched in 1999 by restructuring the Central Rural Sanitation Programme with the objective of-

* Bringing about an improvement in the general quality of life in the rural areas.
* Accelerating sanitation coverage in rural areas.
* Generating felt demand for sanitation facilities through awareness creation and health education.
* Covering schools/Anganwadis in rural areas with sanitation facilities and promote hygiene education and sanitary habits among students.
* Encouraging cost effective and appropriate technologies in sanitation.
* Eliminating open defecation to minimize risk of contamination of drinking water sources and food.
* Converting dry latrines to pour flush latrines,and eliminate manual scavenging practice, wherever in existence in rural areas.

TSC gives emphasis on creating awareness through intensive IEC to bring about attitudinal and behavioural change for relevant hygiene practices and generate demand of sanitation facilities. The demand so generated is met through a wide range of technological choices suited to varying requirement of households in different income categories and hydro-logical conditions. Individual Household, Community, School and Anganwadi toilet construction, School Sanitation & hygiene education, Women's dignity are amongst the focus areas of TSC projects. TSC projects have so far been sanctioned for 426 districts. A reward scheme called Nirmal Gram Puraskar for achieving 100% open-defecation-free environment in Panchayati Raj Institution areas has also been introduced.
